

TECE close to you

9240700 White

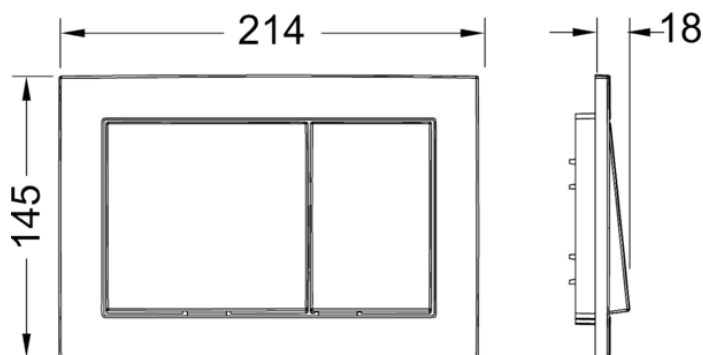

9240702 Matt Chrome

Standard WC actuation with square design.

The push plate is suitable as an aesthetic solution in standard and commercial projects in particular. Ecologically and economically correct. TECEbase has dual-flush function for a water-saving additional flush.

The push plate is available in white in high-quality ASA material or in the matt chrome.

TECHNICAL SPECIFICATIONS

Unit in millimetres.
